

**The Bike Lanes of Modesto ride will tour Modesto on Class 1, 2, 3 & 4 bike lanes. Mileage will depend on those riding. This ride is scheduled for the 2nd Saturday of each month at 8:00, start at MJC East and be lead by Richard and Susan.**

**All levels of riders are encouraged to come ride with us!**

**This is a great ride for beginners or new members but experienced riders will enjoy learning about the new bike lanes being added to Modesto. It is great for our community to see us appreciate and use these bike lanes!**
